Addendum

**Article 15** - This addendum is about the 'student internship grades' that appear in the Directive for Student Internship Program of Istanbul Kültür University.

**Decision:** With regards to the education plans stated in the 3rd paragraph of the 8th article of the Directive for Student Internship Program of Istanbul Kültür University, students under the ECTS education plan who took and passed the course 'Workplace Applications and Internship' with the grades of C-, D+, D, and D- have been unanimously considered successful, in order to prevent an unjust treatment.
